Section 1325(b)(1)(B) and (2) during the Applicable Commitment Period (ACP). Unless otherwise provided in this plan, debtors agree to remit to the Chapter 13 Trustee their tax returns and refunds and other disposable income for the ACP for administration pursuant to their plan or as otherwise ordered by the court. Income tax refunds and other disposable income paid to the Trustee in the case of plan with a 36 month ACP will operate to decrease the term of the Plan to the ACP but not below the ACP rather than increase the dividend paid to general unsecured creditors. The Debtor(s) agree to continue the same level of tax deductions as when the case was filed except as affected by changes in dependents and/or marital status.

Based on the disposable income available the Trustee shall have the discretion without further notice to creditors to:

1. increase the percentage to the unsecured creditors as a result of additional payments made under this provision subject to the limitation set forth in paragraph IV.A above.
2. reduce the (length) of the plan but not below the applicable commitment period,
3. determine if available funds are not disposable income when the Debtor provides the Trustee with supporting documentation and a stipulation regarding the same.

- B. VESTING OF ESTATE PROPERTY** Upon confirmation of the Plan, all property of the estate shall remain property of the estate until discharge or if marked below:

(X) Pursuant to 11 USC § 1327(b) upon Confirmation of the Plan, all property of the estate shall vest in the Debtor except for (i) the future earnings of the Debtor; (ii) additional disposable income, and (iii) other property necessary to the Plan (including personal and real property as defined in the Plan and any associated insurance proceeds which may be used by the Debtor, with court approval, to purchase replacement collateral.) 11 USC § 348 (f)(1) remains effective in the event of a conversion to another chapter.

In any case, all property of which Debtor retains possession and control shall be insured by the Debtor(s). The Chapter 13 Trustee will not and is not required to insure assets and has no liability for damage or loss to any property in the Debtor's possession and control.^{xiii}

UNSCHEDULED CREDITORS FILING CLAIMS** If a creditor's claim is not listed in the schedules, but the creditor files a timely proof of claim, the Trustee is authorized to classify the claim into one of the classes under this Plan and to pay the claim within the class, unless the claim is disallowed.

- E. ALLOWANCE OF LATE FILED CLAIMS** Claims by unscheduled or omitted pre-petition creditors, without notice of the bankruptcy filing, may be deemed timely filed.

CLAIMS AND AMENDED CLAIMS** If an allowed late claim, an amended claim, or a deficiency claim is filed and Trustee has disbursed to general unsecured creditors such allowed late claim, amended claim, or deficiency claim shall be paid the same dividend as previously paid to general unsecured claims, to the extent possible, even if the base to general unsecured claims exceeds the amount stated in the confirmed Plan. The Chapter 13 Trustee shall not be required to recover any overpayments to general unsecured creditors as a result of the filing of the afore-mentioned claims.

(I) With regard to secured claims filed by creditors holding security interests in real property that is surrendered pursuant to this plan, each such secured creditor must file an amended claim asserting its unsecured deficiency claim, if any, on or before the date 90 days after the foreclosure sale. Failure to file the amended claim on a timely basis pursuant to this provision means that such secured creditor shall not be entitled to payment through the Chapter 13 Plan and such secured creditor's claim will be discharged upon entry of a discharge order in the case.

(II) With regard to secured claims filed by creditors holding security interests in personal property surrendered in this plan, and executory contract holders or lessors whose contracts or leases are rejected under this plan, each such secured creditor, executory contract holder or lessor must file an amended unsecured claim for its deficiency balance or asserted contractual damages on or before

xiii 11 U.S.C. Section 348(f)(1) remains effective in the event of a conversion to another chapter.

the date 6 months (180 days) after the date of entry of the Confirmation Order. Failure to file the amended claim on a timely basis pursuant to this provision means that such secured creditor, executory contract holder or lessor shall not be entitled to payment through the Chapter 13 Plan, and such secured creditor, executory contract holder or lessor's claim shall be discharged upon entry of a discharge order in this case.

(III) Claimants holding wholly unsecured claims pursuant to Provision III. C. 1. e. shall file their claim on or before the general unsecured claim bar deadline. If they do not file such claims(s) by that deadline, they shall receive no distribution.
